Don't miss this Benefit and Theatrical Extravaganza featuring some of the performers you know and love from the Bristol Renaissance Faire as they break from their restrictions for ONE NIGHT ONLY. Moonie the Magnificent, The New Minstrel Revue and others will take the stage in a cavalcade of Bristol talent. This is a rare chance to see these veteran performers let loose and improvise, instigate, and inspire each other to the highest level of humor. You won't know what to expect, except that it's original, exciting and well worth the time to attend.

All proceeds from this evening will benefit The RESCU Foundation; a not for profit dedicated to the health and medical well-being of Renaissance Festival participants.

*Refreshments and a silent auction will be offered before the show and at intermission.*
